EXAMINATION RULES

Any student who attempts to obtain unfair assistance or is detected for dishonest behaviour, copies from another student or allows his answers to be copied by another student will be awarded zero marks for the paper. He will face disciplinary consequences, and his parents will be notified.

Absence & Medical Certification (MC)

- A student who falls ill and is absent from a paper must produce a **Medical Certificate (MC)** to the Form Teacher immediately upon his return to school.
- In the absence of a Medical Certificate, the student will be awarded zero for that paper.
- A letter written by the parent will not be accepted for WA absences.
- There will be NO makeup WA conducted.

Students are not allowed to bring into the test venue any electronic or communication devices, or digital aids capable of storing, transmitting, or receiving information. These include mobile phones, smartwatches, tablets, unauthorised calculators, and any other unauthorised electronic devices. Should any such device be found in their possession during the test, it will be considered a dishonest act.

Only pencil cases made of see-through materials are allowed during written WA.
